

RONALD R. SPILLMAN, P.E.
VICE PRESIDENT

EDUCATION	B.S., Engineering Science, University of Texas at Austin, 1979 B.A., Biology, University of Texas at Austin, 1977	
PROFESSIONAL REGISTRATIONS	Professional Engineer, #57810 Texas State Board of Registration for Professional Engineers	
PROFESSIONAL AFFILIATIONS	Member, Acoustical Society of America Member, American Society of Mechanical Engineers Associate, Institute of Noise Control Engineering	
PROFESSIONAL EXPERIENCE	Vice President HFP Acoustical Consultants Inc. Project management, engineering and marketing responsibilities with an acoustical engineering consulting firm	August 1992 – Present Houston, Texas
	Acoustical Consulting Engineer Randorff and Associates Inc. Project management, engineering and marketing responsibilities with an acoustical engineering consulting firm	October 1988 - July 1992 Houston, Texas
	Acoustical Consulting Engineer Turner Collie & Braden Inc. Engineering responsibilities in the acoustical technologies unit of a major civil engineering consulting firm	November 1979 - September 1988 Houston, Texas

PROFESSIONAL ACTIVITIES

Mr. Spillman has 30 years of experience as an acoustical engineer specializing in industrial noise control and environmental noise assessments for gas transmission, power, and petrochemical companies throughout the US and the world.

He has worked on numerous projects involving natural gas compressor stations, many of which involved FERC noise compliance issues. Mr. Spillman has extensive experience with environmental noise surveys, and related analyses, noise predictions, noise contours, and development of noise mitigation designs as needed to meet local, state, and federal noise limits.
